CZ Republic*

Czech Tactical Pursuits

We are pleased to offer formal and informal shooting at our range facility, catering for individual, group and corporate clients.

Our friendly and professional instructors will ensure that you have a safe, informative and enjoyable experience.

Legislation

Do you need a gun license to go shooting?

Absolutely not, but it has to be on a shooting range.

All one needs is a valid ID card/passport and to be under the supervision of an instructor or someone who holds a gun license while shooting.

Instructors

All CTP Instructional staff are Ex Police / Military trainers with many years experience delivering Firearms Training to Novice and Experienced students alike
